

# **Project report : Advanced Web Programming**

## **Kino Project**

### **Student 1**

Name: Hugo Thouraud de Laignere

Student Number/ID: 20230827

### **Student 2**

Name: Macéo Pierson

Student Number/ID: 20231232

### **Student 3s**

Name: Yuushi Berly

Student Number/ID: 20230828

### **Introduction:**

As part of this project, we chose the theme of cinema. Because we really love movies and we are quite film enthusiasts. We therefore decided to create a database focused on films, their directors, their actors, their genres, as well as the viewers and their interactions.

There will therefore be several movies and well-known actor names in the database.
